Morse's Compound Syrup of YELLOW DOCK ROOT.

THIS is a purely vegetable compound, scientifi-
cally prepared from the best roots and herbs of
the Materia Medica, and has gained an unrivalled
reputation for the following effects, viz: *Regulating
and strengthening the Liver and Digestive Organs,
and cleansing the Stomach and Bowels*, and thus
curing all bilious diseases, Liver Complaints, Dys-
pepsia, Indigestion, Costiveness, Piles, Headache,
Fever and Ague, Jaundice, Nausea, Loss of Appe-
tite, &c., and causing the food to nourish and support
every part. *PURIFYING the BLOOD*, and thus
curing all Humors, Cutaneous Eruptions, Scrofula,
Salt Rheum, Erysipelas, Scald Head, Canker, Pim-
ples on the face, Blothes, Ulcers, Tumors, Mercurial
Diseases, Cancers, &c.; *Regulating the secretory
organs*, and by enabling them to perform their pro-
per functions, preventing and curing many painful
and dangerous diseases; *Strengthening and quieting
the Nervous System*, thus allaying Nervous Irritation,
and curing all diseases of the nerves, as Hysteria,
Neuralgia, Cramps, &c.

It is Unrivalled in the Cure of all Female Com-
plaints, as weakness, general debility, irregularity,
obstructions, swelling of the feet, limbs, joints, &c.,
caused by weakness; Also, Lung and Throat Com-
plaints, as Colds, Coughs, Asthma, Consumption, &c.,
also, Dropsy.

Having made use of the Compound Syrup of Yel-
low Dock Root, prepared by C. MORSE & CO.,
either ourselves or in our families, and finding it to
be a very salutary and effectual preparation, we do
most cheerfully recommend it to the public as a very
valuable medicine.

able families of Providence.

This certifies that I have for a number of years
been acquainted with the composition and mode of
manufacture of MORSE'S COMPOUND SYRUP OF YEL-
LOW DOCK ROOT. I have also been acquainted with
its modus operandi in disease, and can say that in all
respects it is admirably calculated to remedy that
class of diseases for which it is designed. It is es-
pecially valuable in *Indigestion* and all its attendant
symptoms; it excites to healthy action the *Liver*,
removes torpor and inactivity of this organ, and stimu-
lates healthy action in all the system. As a depu-
rator or purifier of the blood it has no superior.

Homer Hart } Wood County Common Pleas.
vs. }
George H. Stevens, } Vacation after Spring term,
1854.

GEORGE H. STEVENS will take notice that
Homer Hart has filed a petition against him in
the court of common pleas of Wood county, Ohio,
asking judgment against him for one hundred and
forty dollars and eighty-four cents, with interest on
sixteen dollars since the first day of September, 1853,
and that on the order of the judge of said court an
order of attachment has issued in said cause, which
has been served and returned. The said George H.
Stevens is therefore notified that unless he plead or
answer said petition by the 1st day of July, A. D.
1854, said Homer Hart will, on the 9th day of Oc-
tober, A. D. 1854, or as soon thereafter as said court
shall be in session, ask a judgment in his favor for

WAGON & CARRIAGE MAKING.

C. PERRIN is constantly enlarging his busi-
ness and improving his facilities for doing good
work, and respectfully solicits an enlarged public
patronage. His customers will generally find him
prompt, attentive to business, and anxious to accom-
modate those who pay for their work. He is pre-
pared to make to order, Wagons for Farmers and
Teamsters, Buggies of the most approved and taste-
ful styles; Pleasure Carriages of all kinds; Carts,
Drays, Timber Wheels, &c., &c. His work will be
made of the best materials, in a good substantial
manner, and on reasonable terms.

He keeps constantly on hand for sale, LUMBER
WAGONS, ONE HORSE WAGONS, CUT-
TERS, SLEIGHS, &c.

Farmers, Look Here!

He manufactures Ball & Post's CULTIVATOR,
a new article patented April 6th, 1852, to which he
would call the attention of agriculturists. As a la-
bor-saving machine, it is capable of doing double
the amount of work of any ordinary Cultivator.—
This implement has two long shares, one on each
side, constructed of steel, and fastened on the mould
boards in such a manner as to move the entire sur-
face of the ground, thereby cutting all roots and
weeds that come in contact with the shares which
may be graduated by the clevis to run from two to
six inches in depth.

The three small plows attached to the shares an-
swer the same purpose of the common tooth cul-
ticator, and in addition to the shares and plows, is a
metallic blade rake attached to the rear of the Cul-
ticator, which serves to cut and break up the sod
and hard lumps, leaving the earth in a fine and pul-
verized condition. The effectiveness of this cultiva-
tor renders second hoeing unnecessary, which is a
saving of time and labor.

Mr. Perrin also manufactures a larger sized ma-
chine, constructed upon the same principle as the
above, but with larger shares, and containing two
small plows in addition to the corn cultivator, which
is designed to put in grain, and working upon sum-
mer fallows. They are light, and of durable con-
struction, readily handled and of easy draught.

This CULTIVATOR obtained the first premium at
the Ohio State Fair, held at Cleveland in Sept., 1852.

REFORM or ECLECTIC PHYSICIAN.

I hereby give notice to the people of Perrysburg
and elsewhere that I am now fully prepared to treat
persons afflicted with diseases of any kind, and all
such are respectfully invited to come and be cured.
My mode of removing disease is by the use of

Vegetable Medicines.

Selected from all the best made use of by physicians,
always acting in unison with the powers of life, and
which do not leave the system in a shattered and de-
bilitated condition, such as generally follows the use
of Mercury and mineral medicines. From many
years experience in the use of Vegetable Remedies,
I feel justified in saying that every form of disease
can be entirely cured by the use of my medicine, for
thousands of people are annually cured of every kind
of disease by the use of these medicines. I am also
assisted by the advice of many eminent Eclectic phy-
sicians in the United States.

Among the many diseases which I have cured and
am prepared to cure again, are the following: Fever
and Ague, Bilious, Typhus, and febrile diseases of
every type; diseases of the stomach and bowels;
inflammation and debility of the Liver and Lungs;
Rheumatism of all kinds; White Swelling; Scrofula;
all kinds of Old Sores; old Ulcers and Old Sore
Legs. Come and converse with those that I have
cured, and they will tell you that three dollars has
cured them with me when forty dollars elsewhere
did not. Sore Eyes, Asthma, all diseases of the
throat, mouth and head; pain in the side; weakness
in the back; Dropsy; breaking out on the surface;
humors in the blood; Piles; Venereal diseases cured
in a few days; all diseases of Children, and particu-
larly all diseases of Women;—those weaknesses so
common to them can be removed;—and other dis-
eases too numerous to mention, both general and
local, will be cured in the shortest possible time.
Come and see, and put away your prejudices and be
cured.

If any reasons be asked for the decided stand I
take on this subject, they can be given. In the first
place, so many of the inhabitants of the world as are
acquainted with me, either personally or by charac-
ter, will expect this duty at my hands. Second, my
conscience, which I cannot with any degree of prop-
riety resist, is night and day exciting me forward by
every allurements of happiness to embark in this glo-
rious cause, and by every degree of unhappiness if I
faint-heartedly shrink back into apathy after being
so long as 15 years using every means in my power,
both in and out of the profession, to stir up some able
hand to undertake this, of all reforms, the most nec-
essary. And third, my God, whom I incline to serve
with all my heart, soul, strength and mind, says in
Exodus, "Thou shalt not kill;" hence, if I suffer
any false system to oppress the human family, and
countenance the same, and do not lift up my voice
against it, He will rank me as a murderer, and pun-
ish me accordingly, see the 27th and 28th chapters of
Deuteronomy. Read also the 25th chapter of Mat-
thew, where every one of us is called upon not to hide
our talents, be they ever so few or weak; and hence
I contend, that if I possess only one talent as a qual-
ification to eradicate only one error of medical prac-
tice, or establish only one truth of medical theory,
and do not make proper use of that talent, I am as
culpable as if I had five talents rolled in a napkin.

My office is on Front street, opposite Houston's
store. Also, Botanic Medicines for sale.
